Your orientation tour will introduce you to the city's iconic sights, including the vast *Gothic cathedral (Duomo)*. You'll also see the planet's oldest shopping mall, the 19th-century *Galleria Vittorio Emanuele II*, where you can wander among the boutique shops and take lunch in one of the refined cafes. ### Monday: Venice – Rome (550 km)

Spend the morning in the company of a knowledgeable local guide as you explore Venice, the most magical of cities. Begin with a *waterbus ride to San Marco Island*, a memorable crossing of the lagoon that gives you a real taste of the city's charm as you approach the dreamy spires and distinctive waterside buildings. Once on the island you'll be led around some of Venice's best-known locations, beginning in the Piazza with the *Basilica di San Marco*, a stunning piece of Byzantine architecture. You'll also see the legendary Bridge of Sighs, which appears on many a postcard or

picture of Venice and connects the old prison to the interrogation rooms in the Doge's Palace.

Afterwards you'll have a chance to see some traditional Venetian craftwork at close quarters with a demonstration by *Murano glassblowers*; their exquisite creations make excellent souvenirs. Of course, the ultimate Venice activity is to ride through the warren of waterways on a *gondola*, and for most people this optional excursion is a must. Your day in Rome starts with a visit to the smallest country in the world, *The Vatican City*, which lies at the heart of the Italian capital. Here you'll marvel at *St Peter's Basilica*, home to Pope Francis and arguably the most significant site in Christianity. The exquisitely beautiful Basilica has been present here for almost 1,700 years and contains a bewildering collection of paintings, frescoes and design crafted by some of humanity's most famous artists, which you can explore. Alternatively, you can choose to add on the optional *Sistine Chapel* tour to view *Michelangelo's famous painted ceiling*. Next you'll see the famous *Trevi Fountain*, the lavish Baroque showpiece where people flock to throw coins into the water – an action which is said to ensure that you'll return to the city again one day. After lunch, take a step even further back in time as you visit Italy's unrivalled Roman relics. An optional guided tour of the *Coliseum*, built in AD 72, is highly recommended.
